

*Unlock Your Coaching Potential*

# The Performance Coach

**ICF Level 1 Program**

# Introduction

Welcome to The Performance Coach (TPC), your pathway to becoming a confident, **International Coaching Federation (ICF)**–certified coach who can inspire change and drive meaningful transformation.

Our program is ICF accredited and aligned with ICF competencies, ensuring a comprehensive and globally recognized coaching education.

## Program Overview

The TPC program helps passionate individuals build a foundation of professional coaching knowledge and skills.

- **Designed for:** Both new and experienced coaches keen to pursue ICF ACC certification.
- **Duration:** 60 hours over 4–5 months, with flexible learning to accommodate busy schedules.
- **Format:** Available both online and in-person to suit diverse needs.

# Flexible Learning, **Global Access**

Wherever you are, your coaching journey starts here.

With both **online** and **in-person** options, and support in **English** and **Chinese**, the TPC program meets you where you are – geographically, linguistically, and professionally.

# Why Choose TPC?

## Rooted in Sport & Performance Psychology

Our program is deeply influenced by proven principles from sport and performance psychology, designed to enhance mental strength and resilience.

## Supportive Coaching Community

Connect with professional coaches from around the globe through The Coaching Village, with opportunities to share insights and practice coaching with peers.

## Enhanced with AI-Assisted Training

We leverage cutting-edge AI technology to provide personalized training experiences and insights, making your learning process more efficient and tailored to your coaching style.

# Curriculum Highlights

- Introduction to Coaching Principles
- Techniques to Enhance Human Performance
- Effective Agreements & Contracting
- Mindfulness to Deepen Coaching Impact
- Developing a Professional Coaching Identity

## Learning Experiences

### **INTERACTIVE LEARNING:**

Participate in 2-hour live sessions focused on specific modules and core coaching competencies.

---

### **OBSERVED COACHING:**

Complete a minimum of five observed sessions with detailed written feedback to refine your coaching techniques.

---

### **REFLECTION JOURNALING:**

Use reflective practices to deepen understanding and improve personal coaching proficiency.

### **MENTOR COACHING:**

Receive 10 hours of mentor coaching, including both group and individual sessions.

---

### **PEER COACHING:**

Take part in reciprocal coaching to boost learning and application of skills.

---

### **PERFORMANCE EVALUATION:**

Undergo a formal review of your coaching skills against ICF standards.

# Schedule (English)
